

Day & Night archery competition

Why? To check your ability to shoot at any time of the day or night, promote teamwork and solidarity, improve personal records.

Where? 24-25 March 2018 @ [Priekule sport hall](#), Latvia

Who? All who wants to shoot

Main rules

- WA Indoor round (18m) individually & teams.
- Teams compete 24 h, 24 x 18m distances (one distance = one hour = 30 arrows)
- Team is 2-4 archers with recurves (R), compounds (C), barebows (B) or traditional bows (with wooden arrows) (T).
- Team can freely choose team name - max 30 characters. Special prize for best and most creative team name (closed voting).
- No more than one team member can be under 14 years old.
- No gender limits in teams.
- Minimal shooting hours/distances for archer is 4, no limits for maximum.
- Shooting time - 90 sec (1,5 min) per end (3 arrows).
- Recurve & compound triple 40cm target, barebow & traditional bow - full 40cm target.
- In case of equipment failure shooters can change in middle of distance/hour with noticing judge. Result will be counted for team, but not individually.
- Warm-up will be organized parallely all shooting time on separate targets.
- Winners in teams will be biggest scores in 24 distances summary.
- Individual winners will be set in one distance/hour all four bows men and women.
- Shoot-off for first 3 teams (all team members shoot one arrow, closest arrow of all wins), individual for first 6 places.
